## June 2022 Newsletter

**Hi Members,**

June 2022 is all done now, and July is our last month of our financial year. Polite reminder your loyalty points expire at month's end, recommend using them by purchasing food or beverages by 31st July and while you're at it, why not renew your annual subscription at the same time!! Good plan ay!!

We are urging all members to patronise our Club, to enjoy everything on offer, food, beverages, adjunct activities, gaming etc.

Our observation is that we have perhaps 100 - 150 regular members, on a weekly basis, and our aim is to try to double this figure at least please. After all we have 2000 odd members.

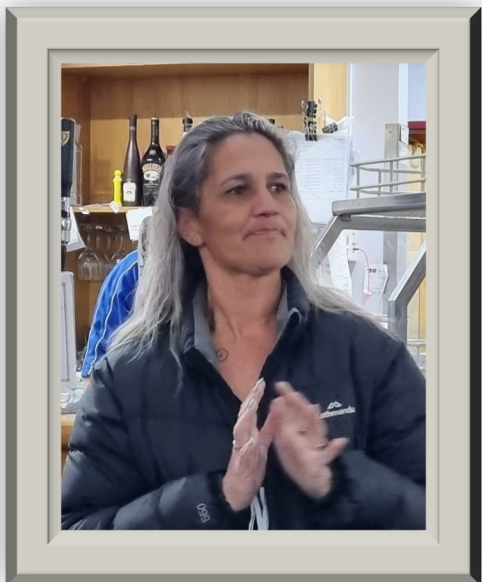

So far, over the last couple of years, we have done well, with no staff layoffs, and generally maintaining adequate income streams while reducing our expenses, but our Club, being no different to any other business, is facing imminent price increases in all departments. If we can get members numbers up to around 250 members using the Club regularly this will help tremendously to minimise any future price increases.

Thank you.

## Raina's Farewell

After 12 years of working for the Club in many different capacities & wearing many different hats, Raina made the difficult decision to leave and pursue a new career and we wish her all the very best. She will be greatly missed !!

## Housie

Unfortunately the decision was made to stop Housie on Thursday nights. We thank everyone that was attending and supporting the Housie and hope we will still see you in the Club using our other facilities.
