A Message To All Members from our President

Dear Members,

The pandemic that we are currently experiencing is having a huge impact on the club finances.

Management met with all staff on Thursday 24 February to explain to them how the impact is affecting the Club financially. During this meeting the CEO explained that staff may be asked to work shorter hours due to low patronage. The CEO went on to explain that the last thing management wanted was to make staff members redundant as it was not their fault members were not patronising the Club.

We are asking our members to assist us by using what we consider a very safe environment to visit as your first venue of choice as much as possible please. Obviously your Club and Management can only provide what it can afford, so patronising the Club is vitally important, especially now.

Over the last 2 years the Committee has invested heavily in upgrading the Club facilities for your enjoyment. We have also put in place a firm Health & Safety procedure ensuring that anybody entering the Club is Double Vaccinated, thus making your Club a safe as possible place to enter.

Thanks for your understanding, we all look forward to seeing you enjoying yourselves at the Club again soon.

Bruce McCarrison
PRESIDENT

Senior Members Adjunct

Hi Everyone, great news that we now have a working Committee of six members as a result of the Special General Meeting held on 9th February.

Those elected from the floor are:

Adrienne Gray who will be your Committee Representative for Housie
Robyn Metge, representing Bowls, and
Judy Kitchener, representing Pool.

They join John Beattie, Irene Good and Joe Havill.

Fantastic and thanks to the over 40 members who attended the meeting. Raffles started again last week - almost \$100 of tickets sold and this week being 2nd March, Housie is on again and Castlecliff of Wanganui will be visiting.

The Bowls mats are out again and pool players are playing again too - albeit all under Code Red restrictions.

The new Committee has already met twice with great renewed energy.

Please pencil in Wednesday 6th April when Porirua is due to visit.

We will be updating the contact details and next of kin info of all our members, particularly we need email and cellphone information so that we can improve our communications. A committee person will shortly be in contact with you - thanks.

The new committee is also looking at other activities that could be enjoyed on Club days and of course, we are also open to your suggestions (polite ones please !!).

We have sourced another bus charter company which has a range of coaches from 33 to 49 seaters which will be added into the mix of options for outward trips.

Take care everyone, keep well and keep smiling.

New Point of Sale System

Some members will already be aware that we have a new Till Sales System. With this system we have introduced a Card Scanner in front of the tills to enable you to scan your own membership card to receive loyalty points, but to scan your card you need to pick up your bar code sticker which we place on the back of your card. These are available at the Bar. No sticker - no points.

We ask you to be patient with all staff as this is a big learning curve and will take some time to get the back office side of things running smoothly too.

Thanks for your understanding !!
