May 2020 Newsletter

A SPECIAL COVID-19 NEWSLETTER TO MEMBERS AND STAFF

This message is being written during Level 3 of this unprecedented lock down (lock out?), and like yourselves, the Executive is waiting for information about when, how and what will change as we hopefully come out of Alert Level 3 and move to Level 2.

Members and Staff should be reassured of steps being taken at the Club to protect the qualities of health and safety for us all, in the expectation the Club will be open for business again soon.

Furniture, tables, leaners, chairs, bathroom fixtures and frequently used touch spots have all been wiped down and resanitised.

Air-conditioning equipment and filters have been serviced, cleaned and replaced as required.

Tables and chairs in the main bar and TAB areas have been repositioned to meet social distancing requirements.

In the Tararua Restaurant some tables and chairs are being moved into the Hudson Room, again to meet social distancing requirements.

We are waiting on information of how we may be able to use our shuttles again.

All bills and wages have been paid and we still have money at the Bank, although lots of money has gone out quickly, with no revenue coming in.

Needlessly to point out, that as more information comes to hand, the Committee will need to reassess our future business model and operations, some changes may be required, or directed by the Government may need to occur. As you would expect, the Committee will be reviewing our financial budget and forecasts, and will balance the interests of our Members, and of our Staff with the financial position we are left in.

Thanks for reading this update. You are welcome to share with others and especially if you know of a fellow Member who doesn't have the internet, perhaps it can be read to them over the phone.

Otherwise, please take care. Keep safe, keep well and hopefully we will see each other again soon at the Club.

Bruce McCarrison
President
